## About Our Camp

We are excited to offer, five one week sessions of fun-filled activities for kids 5 to 10 yrs.

We are proud to have an outstanding staff of talented, professional and enthusiastic counselors who are sure to provide a loving and fun environment for campers.

We will be offering a wide range of interesting & creative activities that reflect our weekly theme: arts & craft projects, organic cooking, music, sports, non-competitive games, science exploration and lots of outdoor play.

Each week we will take a field trip or host a special event that will reflect our "weekly theme", providing our campers an opportunity to expand their creative imaginations beyond camp boundaries for a day.

Nutritious snacks will be provided to our campers, though children should arrive with a hearty lunch every day.

A bag or backpack with extra clothes, a swimsuit and a towel will also help prepare our campers for whatever fun awaits them.
