Renters are responsible for providing the balance of the payment at the time the key is picked up unless other arrangements for billing are made in advance.

When you pick up the key(s) make arrangements for their return with the person who gives you your keys.

A Broom and dust mop are located in the storage closet next to the tables. Additional cleaning supplies are located in the outdoor custodial closet, which faces the entry to the Men's bathroom on the East side of the building. There is a lock on the closet which can be opened with your rental key. Please put the supplies and equipment you use from this closet back, and lock it when you are through. All garbage, cans and bottles should be put in the appropriate bins in the Outdoor Recycle/garbage bin located on the west side of the building. Any garbage in excess of what can fit in these receptacles must be carted away by the renters.
- 7. Locking Up:** After you have finished using the space in the Community Center (including cleanup) please be sure that the lights and the fans are turned off, the heat thermostat is set at 58 degrees and that all windows and doors are locked.
